## ***Roman City***

**David Macaulay**

**Answer the following questions as you watch the video:**

1. What is unique about the cities of Pompeii and Herculaneum?
2. What was the “heart of the city?”
3. How was a Roman city laid out?
4. What was the city’s line of defense against attack?
5. How did water reach the city?
6. Why were the Gauls/Druids unhappy with Roman Rule?
7. Why did larger Roman houses have courtyards?
8. What was located on the ground floor of apartment buildings?
9. What happened at the amphitheaters?

**Making Comparisons:** *How is a Roman city similar to our cities today? How were they different?*
